

Grade 2 Home Learning Grid – Term 4 Week 2

How We Express Ourselves

Can you take photos of things around you that express meaning?

Math

When you are eating, think about how many equal parts you can cut your food into. For example

this pizza was cut into 4 equal parts.

Don't forget to do your Mathematics work too!

Literacy

Do you have a favourite poem? If you do, bring it in to read to the class.

Don't forget to read your book every day too!

Just for Fun Brain Teaser

What starts with the letter "t", is filled with "t" and ends in "t"?
