

## Grade 2 Home Learning Grid - Term 4 Week 5

### Sharing the Planet

Make a list of the living things you can see on your way home from school.

### Math

Draw a picture to show 4 people can share 6 candy bars equally.  
Share your drawing with a family member.

### Literacy

Find an interesting image and write a creative story to match it. Come up with an exciting ending!

### Just for Fun Brain Teaser

What room has no windows or doors?
