

Grade 2 Home Learning Grid - Term 3 Week 6

Math

Can you find different shapes at home? What are they?

Where We Are in Place and Time

What kinds of structures do you see on your bus ride or walk home? You can sketch them and share in class.

Reading

Read a book for 15 minutes every day and practice a reading strategy you want to improve. You can also read a book on Raz-Kids.

Just for Fun Brain Teaser

How many triangles are in this picture?
